

Professor Dr. Engelbert Josef Dockner

Engelbert J. Dockner is Professor of Finance in the Department of Finance, Accounting and Statistics at WU Vienna University of Economics and Business. He holds a PhD in applied mathematics from the Technical University of Vienna. Prior to his appointment at WU Vienna he was full professor of finance and head of the Department of Finance at the University of Vienna. He has intensive international experience either as a faculty member or as visiting scholar at the Sauder School of Business, University of British Columbia, Canada; Haas School of Business, University of California at Berkeley, USA; University of Magdeburg, Germany; Australian National University, Australia; University of Bielefeld, Germany; Queen's University in Kingston, Ontario, Canada, and University of Saskatchewan, Canada. From 1996 to 2006 he was head of the Center for Banking and Finance at Donau Universität Krems, Austria. He acted as General Secretary and President of the Austrian Economic Association, is currently a member of the Board of the Austrian Science Fund, and a member of the executive board of the European Finance Association (EFA). In 2015 he will be the chairman for the annual conference of EFA being held in Vienna.

His research interests include asset pricing and industry structure, product and financial market interactions, risk analysis, industrial economics and differential games theory. He published over 60 papers in leading peer reviewed economics and finance journals, including American Economic Review, Journal of Economic Theory, Journal of Financial and Quantitative Analysis, Journal of Economic Dynamics and Control, Economic Theory, Management Science, and Journal of Economics and Management Strategy. He is the editor of Business Research an open access journal operated by the German Association of Business Professors and Management Review Quarterly, and he serves on the editorial board of International Game Theory Review and Empirica. Currently he acts as a director of the Institute for Strategic Capital Market Research, an externally funded research institute at WU.

He is a member of the advisory and research board of Spängler IQAM Invest, and a board member of Hypo NOE Group and ZZ VermögensverwaltungsGmbH.
