

## Wie funktioniert der Bargeldkreislauf?

Schneide die Bilder aus und klebe sie in der richtigen Reihenfolge auf.

DER WEG DES GELDES

The diagram consists of 12 empty rectangular boxes arranged in a circular pattern, connected by blue arrows. The arrows indicate a clockwise flow of money. The boxes are arranged as follows:

- Top center: 1 box
- Top right: 1 box
- Right side: 2 boxes (top and bottom)
- Bottom right: 1 box
- Bottom center: 1 box
- Bottom left: 1 box
- Left side: 2 boxes (top and bottom)
- Top left: 1 box

The arrows connect the boxes in a continuous loop: Top center to Top right, Top right to Right side (top), Right side (top) to Right side (bottom), Right side (bottom) to Bottom right, Bottom right to Bottom center, Bottom center to Bottom left, Bottom left to Left side (top), Left side (top) to Top left, Top left to Top center, and Left side (bottom) to Left side (top).
